EMAIL A RECRUITER TODAY

Navajo Area

- Serves the Navajo Nation, the largest US Indian Tribe.
- Based in St. Michaels, AZ; extends 25,000 square miles into portions of Arizona, New Mexico and Utah.
- User population served about 245,000.
- Five federal Service Units, with six hospitals, eight health centers, two Tribal facilities.

Great Plains Area

- Serves an Indian population of 120,000, based in Aberdeen, SD.
- 2,600 employees.
- 16 Tribal reservations in North Dakota, South Dakota, Nebraska and Iowa; three facilities serving those outside of reservations.
- 23 IHS and Tribally managed Service Units, with hospitals, health centers, health stations and satellite clinics.

Natural Beauty and Family Recreation

Find yourself surrounded by nature — in amazing scenic locations. Discover a wealth of outdoor recreation and family activities within easy reach, from fishing, boating and camping to hiking, backpacking and mountain biking.

Native Culture

You'll interact daily with Native American communities, where you will learn about their heritage and customs, experience community gatherings, ceremonies and gain cultural insight into the beliefs and values of Area Tribes.

Work/Life Balance

Living in small towns and rural areas means relaxing into a spacious, low-key lifestyle, getting to know your colleagues, patients and neighbors and enjoying the simple pleasures of nature and daily living.

Opportunity. Adventure. Purpose.

Careers with the Indian Health Service

Our Mission ... to raise the physical, mental, social, and spiritual health of American Indians and Alaska Natives to the highest level. IHS is an equal opportunity employer.
